

Guide to Member Applications and Agreements

East Devon Alive Private Members Association (EDA PMA for short) has been created to provide an environment in which we as Sovereign beings can connect, work and gather together free of interference from rogue authorities. A Private Members Association (PMA) means everything is carried out in the private i.e. not in the realm of companies, governments etc.

The attached form is your application for becoming a member of EDA PMA.

For Business User Members

By applying to become a 'Business User' member, you are agreeing to provide your services strictly in the private only to members of the EDA PMA. This does not restrict you from operating in the public outside of EDA PMA at any time, if you wish to do so.

Within EDA PMA you will simply take and accept responsibility for your own decisions and actions, allowing you to engage more fully in managing and taking control of your practice, thereby becoming independent from external control obviating the need for insurance and/or registration of any kind.

An annual subscription is payable - please see our website - eastdevonalive.com

For Community User Members

By applying to become a Community User member, you are agreeing to act in the private only at all times within EDA PMA. This does not restrict you from operating in the public and/or seeking health or other public services outside of EDA PMA at any time, should you wish to do so.

Any Services you may receive within the EDA PMA may not be covered by your own personal insurances of any kind, and may not conform to the same services provided in the public realm.

Within EDA PMA you will simply take and accept responsibility for your own decisions and actions, including decisions based on any risks disclosed by Business User members, and also your own health and wellbeing resulting from your own lifestyle and choices.

Summary for all members

Business User members **do not need to be:**

- licensed, registered and/or regulated under any public or other authority
- insured whilst providing services within the EDA PMA.

Everyone partaking of Services within the EDA PMA acknowledge that, whilst every effort is made to provide the best possible service, no service is perfect. This is covered in the Application.

EDA PMA is not responsible for any matters arising from Business User ←→ Community User member arrangements.

Barter of services is encouraged should you wish to do so.

Under the Agreement, you agree to honour the terms set out in the Form, and the EDA PMA's Constitution, Core Values and Principles and Members Acceptable Conduct available on our website or on request.

You may withdraw from the Agreement at any time (subject to honouring any ongoing obligations which may be applicable under the terms of the Agreement).
